& Mrs. Wolfe
5th – September 9th

Welcome to our 5th grade classrooms!

Picture Day was held this week. Our students looked "stunning"! Pictures will arrive in the next several weeks and will be sent home as soon as possible.

BAND BEGINS on Monday, September 12th. Get ready! Students seem very excited.

All of our 5th grade students have taken their first math test. They have been working hard and should be proud of what they've accomplished. Please continue to check planners daily!

We will have an upcoming Social Studies test next week. Ask your student to discuss early European settlements in the New World.

Skyward is a great way to keep track of your student's progress. If you haven't logged on and received a family password, please contact Mr. Brad Field on our WC District #314 website.

Ask your student to write this number out in word form: 45,328,905.76

Progress Reports will be coming soon!
