8. enjoy
9. explain
10. meadow

We have a number of awesome projects coming up. Our field trip has been scheduled for Friday, May 11 to Dubuque. Our end of the picnic has been scheduled for Friday, May 18 at Helle Park. On Thursday, May 10 Rocky will be visiting us to share his "word on the street" findings. Oh, and I'm hoping to still have our class perform a few plays ☺
