

The Goss Report

April 13, 2012

This week we read a story called Call of the Wild. We are still working on multiplication in math. Please continue to work on memorizing multiplication facts with your child! This is so important in third and fourth grades!

The spring concert was WONDERFUL! I was so proud of all the performers! Mrs. Pudwill did a great job with this!

Our field trip will be May 23rd. We will be going to Clinton for bowling and then to the park to eat and play. More information will be coming.

Swimming permission slips need to be returned as soon as possible!

Snack Reminder

Apr. 16 – 20 ~ Jaxon Wilson

Apr. 23 – 27 ~ Maya DeWitte

Apr. 30 – May 4 ~ Lauryn Holley

May 7 – 11 ~ Lily O'Connor

May 14 – 18 ~ Lily O'Connor

As always, if you have any questions or concerns, please feel free to call or email!

Thanks!
